Dr. G. A. Shirazi, Director
Division of Oil, Gas & Mining
4241 State Office Building
Salt Lake City, Utah 84114

Dear Dr. Shirazi:

Attached is a copy of the water quality data for the Skyline Project for the first quarter of 1983. These data are a complete set of replacement pages for Volume 3, and should be used in conjunction with the data and with the station map previously transmitted. Partial flow data have been included and will be updated when gauge calibrations are completed.

Sincerely,

Keith W. Welch
